Dear Friends,

2020 was a year unlike no other. The global pandemic altered our lives in countless ways and brought us unprecedented challenges. Challenges that included serving the highest numbers of children we have seen in over fifteen years and stepping up our efforts on child abuse prevention and how to report.

We believe that no child who has suffered abuse should be subjected to further trauma from the investigation, protection and justice systems. We believe that we can set children on a path towards healing by providing a child-focused, trauma-informed, multi-disciplinary team approach to these difficult investigations and by providing the critical services children need as they go through the investigation.

Keeping children and families safe is our top priority, and that includes keeping everyone physically safe during a pandemic. **Our 20th Annual Sweetheart Soiree will look a little different this year as we are taking it online and having a silent auction along with special mission moments that will be shareable through social media.**

We know this has been a difficult year for our community. We respectfully ask that if you are able to, please consider donating or sponsoring or donating an item or package to our online silent auction.

We welcome the opportunity to talk with you further about our organization. **Your generosity enables you to play a valuable part in providing hope, healing, and justice for child victims of crime.** Please feel free to contact me by email at rpeevy@cacparis.org or by phone 903-784-5787 with any questions. We look forward to hearing from you soon.

Thank you for your support,
